Writing: I was really surprised when I read the e-mail. Like, really excited surprised. And excited. But it was on Saturday. I am really busy at this Saturday. I can't go there. And after that I was sad. And I decided to not go

to my work. Saturday came in. I was really excited again. I came to the festival and. It was nothing. I was ~~fit~~ missap- out. After that I got tired, because I skipped really important day. So. Please don't skip your school, job or etc, even if it's a very cool festival or etc
